

Pacific Urethanes expands their Graco parts supply capabilities

Pacific Urethanes is pleased to announce the expansion of our Graco parts supply capability. Effective immediately we are able to deliver Graco spare parts from our Melbourne facility within 24 hours of receiving your order.

Our polyurethane machinery specialist Somaly Touche has over 20 years of experience in the Polyurethane Industry. His qualifications include a degree in Chemistry and extensive experience in all facets of the polyurethane industry

Somaly's application expertise allows him to offer our customers in field training and troubleshooting in order to ensure successful set up of our customers manufacturing operations or major projects.

Pacific Urethanes is presently installing a new spray booth at our Sydney facility. Commissioning will be completed by September. This spray booth will be utilized for servicing Graco machinery, providing customer training and testing our customer products.

Together with Graco we will be conducting a machine demonstration day in September at our newly commissioned facility. A personal invitation will be sent to you to attend this event in the near future.

Pacific Urethanes is also planning a special machinery roadshow in Melbourne. Somaly Touche would be pleased to discuss any aspect of your polyurethane processing or spraying needs. This includes new equipment sales, maintenance plans and any servicing requirements.

To register your interest please contact Somaly directly on 0413 201 346 or by email at somaly.touche@pacificurethanes.com or our customer service officers.
